**IFB #2019-0301**

**Construction Services for Vestibule/Door Replacement**

**Addendum #1**

**After further review and discussion on the project, the FRTA will make the following changes and clarifications to the bid:**

**1)Section IV, subsection A. Contents of Bid – reads** “The Bid shall be organized in conformance with the format detailed within this section. The Bid shall include two (2) hard copies of each Bidder’s Qualifications and two (2) hard copies of each Bidder’s Cost Proposal.”

**Change to:** “The Bid shall be organized in conformance with the format detailed within this section. The Bid shall include **three (3)** hard copies of each Bidder’s Qualifications and **three (3)** hard copies of each Bidder’s Cost Proposal.”

The qualifications and cost proposal can be delivered in the same package/envelope, but the cost proposal should be on a separate page. Our intent is to have two distinct sections, qualifications and cost. Other than the total cost, what’s included in cost proposal is up to the contractor, a bid form was not included in this IFB.

**The following Documents are included in this addendum and shall require the contractor to sign after award is made:**

**2) Construction Contract**

**3) Certification of Drug-Free Workplace**

**4) Contract Immigration Status**
