

Service Rules

It is your responsibility to cancel any scheduled trip that you will not be taking. All trips must be cancelled at least one hour prior to your scheduled pick up time. If you fail to cancel, it will be identified as a “No Show”. Multiple “no shows” may result in penalties.

There is to be no smoking, eating or drinking in the vehicle.

Drivers are not permitted to leave their vehicle unattended at any time while passengers are on board.

Drivers and staff are not allowed to accept tips or gratuities. If a consumer wishes to express thanks, please send a letter to:

FRTA Administrator,
12 Olive St.
Greenfield, MA 01301.

Remember....this is public transportation, not a taxi service.
Consumers should expect some wait time.

To obtain a copy of our fixed-route bus schedule or if you have questions related to our

ADA Complementary Paratransit service, MassHealth Transportation,

or

StateWide Access Pass program, contact the FRTA at (413) 774-2262

or visit our website

www.frta.org.

Demand Response Riders Guide for Westhampton

Services are provided by:

Westhampton Council on Aging

Who is Eligible?

The FRTA's Demand Response transportation service is for persons over the age of 60, consumers currently living in a nursing home facility or Veterans with a disability rating of 70% or greater.

How do I access this Service?

Prior to being transported, an application for service needs to be completed and approved by the FRTA office. You may obtain a copy of our application by calling (413) 774-2262 or download it from our website: www.frta.org.

Once approved, a Demand Response information packet will be forwarded to you related to this service.

When is the service available?

Currently, service is available on an as needed basis for medical rides and shopping trips.

How do I schedule a trip?

You must call the Westhampton COA at (413) 527.5134 *at least* 24 hours in advance to schedule your ride, but advance notice is suggested. Transportation cannot be arranged over the weekend. We make every attempt to accommodate each trip; however, there are instances where we may not be able to schedule your trip due to peak hours or other circumstances beyond our control.

What if I need assistance?

Our Demand Response service is curb to curb. Our drivers will assist you onto our vehicle and again when disembarking from the vehicle, but cannot assist you into buildings or your home. Drivers are not to assist with groceries or other parcels, we ask that you bring only what you can carry. If you need assistance, the FRTA allows you to have someone to travel with you at an additional cost of \$.75. This person can be a friend, companion, or PCA worker. Simply notify dispatch that someone will be accompanying you on your trip.

What if I have an emergency?

The FRTA is not in the position to provide emergency transportation. If your situation requires immediate medical attention, you should call 911. An attempt will be made to accommodate next day or same day trips; however it is not a guarantee that transportation can be provided.

How do I pay for my trip?

You must pay for your trip with cash as you board the vehicle. The drivers may be unable to make change, so please pay with the exact fare.

How much does it cost?

- All one way trips that originate and end within Westhampton: \$1.25
- All one way trips to an adjacent town that are within our service area: \$1.75
- All one way trips beyond an adjacent town that are within our service area: \$2.25

All trips to Senior Centers are \$.75 (in town trips), \$1.00 (adjacent town trips) and \$1.25 (beyond adjacent town trips).

Fares listed are for one way.

There is an escort/PCA fee of \$.75 for each trip and they must be there to assist the passenger with the trip (not there to do their own errands).

The Westhampton Demand Response transportation service is a volunteer driver program. All drivers for this program are volunteers using their own personal vehicles.
