FRTA Operations

The FRTA is made up of 41 communities throughout Franklin, Hampden, Hampshire and Worcester Counties operating both fixed route and paratransit services. Ad space on FRTA vehicles and bus shelters are predominantly located within Franklin County. The fixed route vehicles with available advertising space serve the following municipalities: Athol, Buckland, Charlemont, Deerfield, Erving, Greenfield, Hatfield, Montague, Northampton, Orange, Shelburne, Sunderland, and Whately. The paratransit vehicles with available advertising space serve the following municipalities: Athol, Charlemont, Deerfield, Erving, Gill, Greenfield, Hatfield, Leyden, Montague, New Salem, Orange, Shelburne, Warwick, Wendell, and Whately. Vehicle assignments are rotated to cover all necessary FRTA operations without regard to specific municipalities; therefore, advertising cannot be made for vehicles to travel only to specific municipalities. If an advertiser is looking to only target specific municipalities, FRTA will do its best to place ads on those vehicles most likely to service those municipalities if space is available. More specific information on FRTA routes and services can be found online at www.frta.org.

FRTA Advertising Specifications

Exterior Bus Signage: AD-SIGNS must be of flexible, removable, weather-proof, self-adhesive vinyl material. Ads must be on a stiff plastic backing material (corrugated plastic/Coroplast) and be between 0.125" – 0.1875" thick.

Interior Bus Signage: AD-SIGNS must be of card stock, laminated material and be between 0.025" – 0.030" thick.

Bus Shelter Signage: Full and Half Bus Shelter AD-SIGNS must be of flexible, removable, weather-proof, self-adhesive vinyl material. Ads must be on a stiff plastic backing material (corrugated plastic/Coroplast) and be between 0.125" – 0.1875" thick. AD-SIGNS. Back-Lit Bus Shelter AD-SIGNS should be produced on translucent paper or film to allow light to shine through. Material should be able to withstand various types of weather climates and UV light.

Bus Shelter Locations: Below are latitude and longitude coordinates for current shelter locations:

Town Location	Stop Name	Latitude	Longitude	# of Shelters/Ads
Greenfield	JWO Transit Center	42.58595	-72.60051	2 Back-lit/2 Half
Greenfield	Greenfield Gardens	42.59187	-72.61121	1 (Full)

POLICIES AND STANDARDS FOR ADVERTISING ON FRANKLIN REGIONAL TRANSIT AUTHORITY FACILITIES

The Franklin Regional Transit Authority (FRTA) is a regional transit system established in 1978 under the provisions of Chapter 161B of the Commonwealth of Massachusetts. The FRTA serves communities throughout Franklin, Hampden, Hampshire, and Worcester counties. The FRTA covers the largest (1112.08 square miles) rural and geographical area in Massachusetts. FRTA owns and operates buses, bus shelters, and a transit facility, collectively referred to as “Transit Facilities”, in conjunction with its regional transit system. It is in the public interest to make advertising space available on certain designated Transit Facilities to generate revenue and help fund the operation of the regional transit system.

Purpose: FRTA will make space on its buses or other Transit Facilities available for limited types of advertising. By allowing limited types of advertising on or within its buses and/or bus shelters, FRTA does not intend to create a public forum for public discourse or expressive activity, or to provide a forum for all types of advertisements. The display of permitted advertising on designated Transit Facilities is intended to supplement fare revenue and other income that funds the regional transit system.

Advertising Standards: FRTA intends to maintain a professional advertising environment that maximizes advertising revenues and minimizes interference or disruption of the commercial aspects of its regional transit system. FRTA intends to maintain an image of neutrality on political matters and other non-commercial issues that are the subject of public debate and concern. FRTA intends to protect passengers, employees and FRTA Transit Facilities from harm or damage that can result from reactions to political or controversial materials. FRTA intends to help build and retain transit ridership.

Advertising Restrictions: The FRTA will not accept the following for display, posting, or placement on or within its buses or other Transit Facilities: tobacco products, alcoholic beverages, political, religious, obscene, adult entertainment advertisements, or advertisements that in the opinion of the FRTA would threaten the public health or safety or is illegal. The FRTA reserves the right to reject any advertising it deems inappropriate. The ad must be approved by FRTA before submitting your deposit.

Public Service Announcements: The FRTA may make advertising space available for governmental entities, academic institutions, or tax-exempt non-profit organizations. Non-profit entities must document their tax-exempt status. The advertisement or public service announcement permitted under this section cannot contain displays or messages that qualify under the Advertising Restrictions section and must comply with these advertising policies and standards.

Space Availability: The FRTA limits the amount of space on its buses or other Transit Facilities available for advertising and does not represent that it can accommodate all requests for advertising space. All advertising space will be offered on a first come first serve basis.

Reservation of Rights: The FRTA reserves the right to amend these policies and standards at any time, subject to any contractual obligations. The FRTA reserves the right to discontinue advertising on FRTA buses or other Transit Facilities and discontinue accepting advertising for display or posting on FRTA buses or other Transit Facilities. The FRTA reserves the right to limit the availability of advertising space on its Transit Facilities and remove advertising that does not comply with these advertising policies and standards, subject to any contractual obligations. The FRTA reserves the right to reject any application in the best interest of the FRTA.
